Walter Chochrek- Exalted Ruler

### *From The Exalted Ruler*

Dear Member,

Chugging along at a snail's pace I made it through another month. The second weekend of May was the busiest with another great Friday rib night. Thanks to all who came down and enjoyed the ribs.

Saturday, May 12 was our annual Golf Tournament. Chairman Fred Herrero and his wife Colleen were at the helm. Their band of merry men and women worked hard at the lodge and at the golf course which helped make this years tournament a huge success. Thanks to all that participated.

Sunday was the Elk's traditional Mothers Day service which started at 10 am. The service was followed by a hardy breakfast which was served to 30 mothers and their guests. The only disappointment I had was the lack of participation by our officers, trustees, and PER's. With this day being a special service on the Elks calendar I didn't think I had to call every officer, trustee and PER to attend. I hope with our Flag Day ceremony coming up June 17, which is also Fathers Day and our Monthly Brunch there will be more participation by all. My thanks to Sal Grilli (scar chest) and Terry Lee Pinkerton (radar) for their help and support on Mother's Day.

Memorial Day weekend we were up in Orlando at the State Convention. I will have more information on the convention in the July bulletin.

Some up coming events to look forward to in June is our 3rd Annual Karaoke Idol on Sat-

urday, June 16th. The President of the Florida State Elks Association will be visiting our lodge Friday night, June 22nd. On July 4th we will have our annual celebration including fireworks. Please join us for one fo these occasions.

I still need some committees filled and need some volunteers. If you are interested, please see me and I'll tell you what's open.

Fraternally,  
Walter Chochrek  
Exalted Ruler

### Tech Talk & Tips By Jim Blanchard

There are times when you purchase items from a store these days that they want to send you a confirmation or something to do with your purchase by email. What happens is that when you give them your email you are put on a list that you receive all their offers and sales for the future. My recommendation is that you create a separate email to give out at these times. This email account can be a free one that you can sign up for at Yahoo, <http://mail.yahoo.com> or Google, <http://www.gmail.com>. This should help you from getting to much un-wanted email and spam in the future.

## Around the House

Even if you didn't golf, the tournament this year had something fun for everyone. Fred did a great job of putting it together with his gang. Mothers Day, once again, paid tribute to the most important woman in each of our lives. The state convention was very good. Our attendance at that even used to be very high, with many going each year. It is not the same event that we had at the Hyatt at I-4 and 192, but it is still a fun event and the opportunity to meet Elks from around the State.

This next month we have one of the most popular functions of the year, the Karaoke Idol. The last two years this event has been very well attended and very entertaining. I for one will be missing Jersey Jim and his antics. you never knew what he would do, but you knew it would be a blast. Hope you are signed up and ready to sing (I know my limitations!!!) Get your tickets and see who will be this years "Hollywood Idol".

Plantation, or should I call it West Broward Lodge, finally got some kind of Certificate of Occupancy for their new building. I went by there and its a beautiful facility. You should go by and see what all the waiting was for. It is located on 44th Street just west of Pine Island Drive.

I couldn't leave this month without mentioning the important things coming in early July. Make your plans to spend July 4th here at the Lodge. with a day of picnics and games. There may be some libations also, I understand. When the sun goes down the 10,000 Maniacs, Pyro division will come out and, water restrictions permitting, see what they can cook up to entertain.

The National Convention will be in Charlotte, NC., and is always an event filled with Elks information and a huge display area. You can see what Elks around the country are doing, and purchase all those items you always wanted to have to show your Elk Pride. Oh, and every state puts on a hospitality room to showcase their state.

See you , Around the House  
Art
