Walter Chochrek- Exalted Ruler

### *From The Exalted Ruler*

September was a busy month. The DD Visitation at West Broward Lodge was a huge success. Hollywood West Elks was the top lodge in attendance with 31 members and guests attending. Thank you from the bottom of my heart to all that came. It showed the SSE District that Hollywood West supports the DD and the District.

The DD and his Suite visited our lodge to check our books and watch our Officers perform the Elk's Ritual which was graded for its performance. Thank you Jackie Ferguson for stepping in for Sal during his recovery. She spent a lot of time practicing with the rest of the Officers during the summer.

Cheap Charlie was a huge success. Thanks to Heidi Iovino, Dave Campbell and Mardy Wheaton for bringing all their friends. Thank you to Jim Scanlon and the invisible man for putting the final touches on all the metal parts which needed to be welded to finish the barbecue pit.

Due to a full schedule, the Harry Anna Ball will be rescheduled for

sometime in 2008.

Tickets for the Halloween Party will go on sale starting September 29th. The donation is 12.00 for a roast beef dinner. Sal, Lydia, Dave, Chris and Jerry have a lot of surprises. It will be twenty times better than last year. Buy your tickets early. This year might be a sell out.

Fraternally,  
Walter Chochrek  
Exalted Ruler

## Around the House

September, once again, found me in Pennsylvania  
visiting Brother Tim Rolison. Tim wants to thank  
everyone for their greetings and expressions of support,  
and to let them know that he is maintaining his regimen.

The weather in PA was more like Florida at the  
beginning of September but cooled off by the middle of  
the month. The leaves had not started to change yet,  
except for the tree that I had to park under. It kept hiding  
my car under a pile of leaves.

Falling leaves and pumpkins – must be getting time  
for Halloween – and, of course, we have a big party  
planned. Actually it is two parties, one for the kids and  
one for the Bigger Kids. Vampira will be bringing out her  
fantastic collection of ghoulish stuff, including the ever  
popular coffins. Dress up in your finest costume and  
scare up a good time. You may want to check with the  
ladies and see if they need candy for the kiddie's party.

One of the lodges that I visited in Pennsylvania had a  
sign over the bar:

"Imagine what a great organization we would have  
if everyone did just half of what they expected others to  
do."

Kind of gets you thinking, doesn't it?

See You Around the House,

## **ELK TRIVIA**

### **Why Not "Buffaloes"?**

Since 1868, America's foremost fraternal organization had been recognized by the noble creature that is the symbol of the Order. The Elk is a peaceful animal, but will rise in defense of its own in the face of a threat. The majestic creature is fleet of foot and keen of perception. A most fitting representation, the stately Elk is, for a distinctively American, intensely patriotic, family-oriented organization subscribing to the cardinal principles of charity, justice brotherly love and fidelity. The Benevolent and Protective Order of Elks of the United States of America has, indeed, fulfilled those principles and established a distinguished record of service and achievement since its founding on February 16, 1868.

But the roots of the association are admittedly shallow, predating the Order's official kickoff by only a few months. A small group of entertainers, wishing to continue their social gatherings on Sundays, when New York's blue laws prevented the opening of public establishments, began meeting regularly as the "Jolly Corks," a name derived from a bar tricked introduced by the group's organizer. While the meetings were held with regularity, apparently no form nor substance resulted, except for the adoption of a toast to the members of the group not in attendance.

Shortly before Christmas in 1867, only a few months after the fellows began to meet, one of their number died, leaving his wife and children destitute. This event gave rise to the notion that, in addition to good fellowship, the Jolly Corks needed a more noble purpose in order to endure, and serving not only their own need, but others as well, would be appropriate.

Two months later, with a statement of purpose, and impressive set of rituals, a symbol of strength and majesty and such other elaborate trappings that might be expected of a group of actors and musicians, the new fraternal order was launched. The growth and record of benevolence of the Elks is well-chronicled, with the Elks Lodges now in 2,200 communities and a membership of 1.3 million Americans.

Why was the Elk adopted as the symbol of the order? The 15 founders of the fraternity desired a readily identifiable creature of stature, indigenous to America. Eight members voted to adopt the elk, seven favored the buffalo.
