Sal Grilli - Exalted Ruler

Exalted Ruler Message

The holiday season is in full swing. The "Elks Elves" of Hollywood West are going wild. I would personally like to thank those Elves! Exceeding our goals for monies raised for our foster children through the sales of mini stockings and contributions was a highlight, I will always cherish as a member of the Elks. This months "Elks of the Month" goes to those members who went far and beyond to share with those less fortunate than themselves with all assistance they rendered.

I have a few simple wishes for the New Year for Elkdom. I wish in 2008, "All Elks", who are members of our fine organization, can persuadably know the difference between us being a "lodge" as opposed to a "club". I wish all to embrace the sentiment of what our founders embraced as a benefit society rather than merely a fraternity. I wish bias, a prejudice, to be abolished. I wish happiness, health and wealth find its way to every member's home side. I believe if it comes to the persons involved in Elkdom, it will be resolved and re-sounded in the lodge.

There are some things happening at the lodge that affects all of us. I ask for your ideas and positive constructive comments to meet these future challenges. Please get involved, in any capacity, where you think you can make a positive impact.

Fraternally,
Sal Grilli, ER

Elks Charity News #2365

The Lodge Continues to support

- ~ Children's Therapy ~ The Harri Anna Trust ~
- ~ The Florida Youth Camp ~
- ~ Boy Scouts of America ~ Elks National Fund ~

We have been able to meet the wishes of the foster children and the family we adopted that Kids In Distress supplied us with. Thanks to our "Elves" we will deliver nine new bikes, new clothing, toy's and books to the foster kids and a large care package for the family with toys, food, clothing some appliances and christmas dinner. We are delivering five brand new electric razors to the veterans nursing which they requested along with some christmas pastries. We plan on going over to the nursing home in January to do a cookout and bingo for them. Anyone who wants to come along call the lodge. Our Veterans Chairman Jesse Clemence delivered a new handicap potty chair, several bags of depends and quite a bit of nice clothing to the veterans nursing home in the pines and they were very appreciative.

Please remember we always need your donations of clothing, glasses, cell phones, toys, books (audio and large print) magazines, pop tops and stuffed toys for the different community charities we deliver to.

Thank you Jeanne Coffey PER

Around the House

Well, December found me, once again, up North. Tim had for years been trying to get me to come up to appreciate Christmas as it is done in Philadelphia. Had a great time with a lot of good people, but they saw the humor in making it COLD and SNOWY. I didn't get the joke, which is why I live in South Florida.

In early 2009 the Federal Government has mandated that all Television stations, as we know them, have to stop broadcasting. At that time, all TV will be done as Digital TV and you have to have a digital receiver to get the broadcast. The current system, known as analog, will disappear. To help the transition, the government will help you buy two digital reception converter boxes. That is two per household. If you see me around the lodge, I will give you the information on how to apply for the converter certificates.

Good News!!! The steak dinner is returning to Saturday nights starting in January. It will feature the same great food and entertainment that we always had. Look for the announcement elsewhere in this newsletter.

Don't forget the pig roast that is scheduled for the Martin Luther King Holiday weekend. These events are always a great time.

Nominations for Officers for the upcoming Elk year will be held in January, so be sure to go to the meetings and show your support. The elections will follow in February.

Have a great 2008.

See you, around the House
