Exalted Rulers Message

February is an extremely busy time of the year for our lodges. We passed a milestone virtually unnoticed. On February 16th, we celebrated our 140th anniversary of Elkdom. We have come a long way since Charles Vivian's group of "Jolly Corks" to being the largest Benevolent and Protective Organization in the United States. We had a successful "Mardi Gras" party, thanks to the efforts of Joe Covino and company. We had a very successful Super Bowl Party, Steak Dinner, Rib Dinner, Karaoke Fridays, Wednesday Italian Nights, Sausage Kings Nights and first Friday Chili Cookin. Our donations to Women in Distress, Veterans, ENF and Harry Anna. We're above any other average month. The Compliance of the No Smoking policy went by smoothly and respectfully.

Elections of our new officers are due and my wish for those lucky individuals is that they strive to grow the support we need to be Elks.

I hope more will get involved in supporting the new accommodations, as we change, in support of our own membership. My goal was not to slight a single member, but to see to all needs. I applaud all the efforts of those who tried and contrived to improve our facility.

I look forward to a strong finish to my term of office. A smooth transition to the new officers with a commitment to uphold what is right with Elkdom and admonish those who would defame or destroy us. I pass the torch to those who must use the light to lead the way, as well as use it to be vigilant in our defenses.

Fraternally,
Sal Grilli, ER

Elk Of The Month

Goes to an individual who has been a mentor of mine since my early days as an Elk. We have fought with one another and we have celebrated events together. When asked to do something or for advice he has never let me wonder. He will lead the team of PERs with the installation of new officers, this year. He has filled in at kitchen duty, house duties, building maintenance issues and the ever confusing interpretations of the rules of the Order. Thanks Chuck...

Elks Charity News Lodge 2365

The Lodge continues to support

- ~ Children's Therapy ~ The Harry-Anna Trust ~
- ~The Florida Youth Camp ~ Boy Scouts of America ~
- ~ Elks National Foundation ~
- ~ Sandy Nininger State Veterans' Nursing Home ~

We would like to acknowledge the members who unselfishly gave time and donations to build our patio "smoking" area. This was definitely an example of "charity beginning at home". Community wise, we had another caravan to the Women in Distress thrift store to donate **two truckloads** of clothing, toys, books, cell phones, dishes — you name it. Thank you members, for making that possible and to drivers, Chuck Kelly and Jesse Clemence, for taking it up to Margate

We gave our resident Pembroke Pines officer, Joe Covino, approximately 100 stuffed toys (Huggy Bears) for the police department for their patrol cars. We also made a run to Pembroke Pines VA Nursing Home to deliver books, magazines, clothing and candy, which they gratefully accepted. We sent \$200 to Harry-Anna and Fl. State Youth Camp. This was donated to us by South Broward Lodge for our charity fund for their use of our social quarters for their meetings and functions.

Last but not least, Veterans Chairman, Jesse Clemence arranged with the Pembroke Pines VA nursing home Recreation Director, Oscar (our best buddy), to supply a luncheon when they had their yearly musical show by the talented group ReCreation. This is a group of young adults that perform at VA nursing homes all over the USA. All the Lodges contribute to pay for their lodging when they are in our district. Five of us went and served about 80 vets and hospital employees plus the performers. Not only is this gratifying but this is what Elkdom is truly about..... Serving our community.

Please remember before you toss that item, "One person's unwanted items are another person's treasures". Thank you to all.

Jeanne Coffey, PER
Community Welfare Chairperson

Secretary's Corner

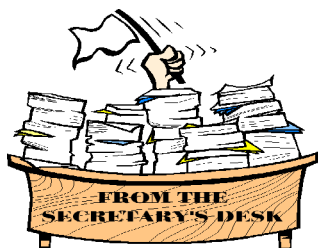

It's that time of the year, again!

2008—2009 DUES are due April 1st. The amount is \$75.50, payable on or before March 31, 2008

Kenneth Kolakowski proposes **Joseph Szwanke** for membership.

Sandra Schreier wishes a transfer demit from
Lodge #2830.

Balloting will be on March 6th for incoming members and transfer demits that have met Lodge requirements for membership.

Around the House

Elections are over and we have a new slate of officers for the upcoming Elks year. Congratulations to Jesse and all of the people who will lead the lodge through this new year. The installation of officers will be on April 12, at the lodge. Please plan to attend this event, and as many of the other lodges installations as you are able.

Forces are underway that mandate that we be especially aware during this new year, or face the prospect of being combined with another lodge or eliminated all together. This means that we have to be alert to attend the visitations to the other lodges and to attend their special functions. Every lodge will be having special events to raise money for our own Endorsed Vice President at Large for the State Organization, Vince Como. I cannot emphasize how important it is that we have good showings at all of these events. Our future is in our hands.

I also have to share with you what I learned at the quarterly in Umatilla. This move to consolidate lodges is State-wide. I talked with people from other lodges who are also "on the bubble," and it doesn't seem to make any sense which lodges are being selected. In one instance, a lodge of 900 members is being considered for consolidation into a lodge of 250.

On a happier note, March once again brings out the Leprechauns and all of those green people. This year the annual event is on Saturday the 15th and is being put together by Terry "Radar" Pinkerton.

NASCAR has returned and with it the famous "buckets"—ask your server for details. Stop by on the weekend for exciting sports action in a variety of different sports.

See you, around the house, and at the installation visitations.
