Exalted Rulers Message

Dear Brother and Sister Elks,

This is my first letter since being elected Exalted Ruler. For those of you that don't know me personally I served as Exalted Ruler at the old Plantation Lodge #2273. After demitting to Hollywood West I served as your Chaplain and Leading Knight for the last two years. The friendship that has been bestowed by the membership has giving me the incentive to help our Lodge.

This year we face many obstacles but by pulling together we will make this a prosperous one. The economy has hit us hard so has everyday life. We have had problems with old equipment that has broken down and this has depleted some of our reserves. The good news is our Lodge is solvent. We have a full slate of officers and committee members that are willing to work hard to see that we survive.

We work hard to do the good work of our order and it has shown by the articles that have been printed in the state newsletter and national magazine. While in Orlando at the ER/Secretary seminar our lodge was complemented for our good work. Deborah Snell, Leading Knight accompanied me to Orlando and was present at all meetings. This helps build a better ground work for the future of our Lodge.

There is excitement in the air about what is being planned for upcoming events so stay informed and participate as often as possible. Our first event will be the April Fool's Fundraiser to benefit the building fund. Come and enjoy the good music, food, and friends. The veterans from the Sandy Nininger Nursing home will be our guests. Did you know that we have them here for dinner once a month if our schedules permits?

Our members that step up to put on dinners in our club are greatly appreciated and we hope that they continue into this year. We still need volunteers to help in the kitchen.

(ER Message Continued on Page 2.)

“You Know Who You Are”

Many thanks to a special member who paid to replace all the Catfish that we lost, do to a freezer problem in March. This member constantly steps in and offers help in the Lodge and supports the Lodge and its functions. This member has never received the “Elk of the Month” because of the low profile that is maintained and wants no accolades. A BIG Thank You to “You Know Who You Are”.

I would like to ask that everyone that can donate blood please do so at Sunday Brunch in April. On February 28th I ended up in the hospital with a bleeding ulcer and lost over 50% of the blood in my body. If it hadn't been for the gracious act of kindness and the gift of life that so many of you have given then I can rightfully say that I would NOT be here today. So, I encourage ALL of you that can give to please come and support us in the blood drive and you will receive a free brunch in return for your kindness!

Sincerely thanks again to you all!

Message from the Florida State Elks Association

State President - April Message

My Fellow Elks,

Julia and I were recently the guests of our friends in the Georgia Elks Association at their annual Spring Convention. After having attended several of their meetings and committee sessions would it surprise you to learn they are facing some of the issues and problems with which we are dealing in our own association? Partly for that reason, it would seem appropriate that we continue and enhance our communications and collaboration with their organization as well as some of our other geographically close states.

This month I wish to especially commend and express appreciation for one very successful program currently available to many of our lodge members around the state. Under the leadership of PDD Leonard "Lenny" Smallacombe, the **Presidential Memorial Certificates (PMC)** program has been vigorously promoted as a way to recognize the devotion and duty to country exhibited by our many veterans. Lenny has spent a considerable amount of time and energy advertising and guiding the program. His efforts and devotion to this task are an example of how just one Elk can really make a difference and positively affect the lives and bring comfort to a large number of our members as well as other individuals in our respective communities. Please go to the State Association Website to learn more about this opportunity to honor a deserving deceased Veteran. I strongly endorse member's participation.

Our Homecoming Visitation to the Northeast District held at the St. Augustine Elks Lodge last month was truly inspiring. Julia and I are extremely grateful for the large attendance which included many Elks from other districts.

Again, I extend my congratulations and best wishes to all newly elected Lodge Officers for a successful year. I am looking forward to attending several of the Installations.

Thank you once more for the many expresses of support and kindness this year. My final message posted on the Website in April will of course be for the May Lodge Bulletins.

Fraternally,

James E. Hurst

PROTOCOL

We are a Fraternal Organization founded in the late 1800's and we have lasted this long by adopting rules and governing bodies within the organization that have been tested and found to work well for the stability of the Elks organization.

All Lodges from Grand Lodge down to the Subordinate Lodges elect officers and appoint committees to fulfill the duties of running the Lodge. Members put their trust in who they elect to do the job they select them for.

Exalted Ruler: Chief Executive Officer of the Lodge

Chair Officers: To assist the ER in the performance of their duties in the order of rank

Trustees: Control of the funds, investments and maintaining the property of the Lodge

House Committee or Club Manager of Social quarters & Kitchen: Employment of workers, supervision and control of social quarters with the power to suspend a member, fixing of prices and ordering supplies for the Club Facility.

When these governing bodies work together, follow protocol and the statutes, by-laws and house rules, Lodges run smoothly.

Members wishing to chair a function, request monies, hire entertainment, file a complaint or make any changes to the building or grounds shall follow proper procedure and address their request to the correct committee in charge, PRIOR to bringing it to the lodge meeting floor for a motion or vote. Not doing this will insure that your request will be tabled at the meeting until the committee is notified. Hollywood West 2365 has abided by this form of governing since 1967, it works and it should be followed.
