Exalted Rulers Message

Greetings Brother and Sister Elks,

As we all sit back and reflect on what just happened, we can breathe a sigh of relief that we made it through another holiday season. This year with the bad economy and pressure on everyone just to make it through December we all managed to pull off another great Kids Christmas Party. This was the second year that our favorite clowns showed up to entertain and direct Santa to his destination. What an entrance he made in the vintage fire truck and his friends from Southwest Ranches Fire Department never lets him down.. Santa's Helpers brought such joy to so many. Great Job!

Our Lodge Advisor, Jim Whyte was relieved of his position in December after many years of service and thousands of miles driving from Sebring. He was only a phone call away and never failed to come down when he was needed. Thank you for your dedication to Hollywood West Lodge.

We are starting off 2012 with many changes around the Lodge. Many lodges and organizations' are struggling to keep their doors open and our hearts go out to the local VFW that was forced to close. Now is time for our members to pull together and make our Lodge stronger than ever.

Have a Happy and Healthy New Year.

Fraternally,

Barbara Henry

Bar Crawl Last Call

We are here in the New Year and going for our 3rd Bar Crawl, down to the Keys, but I can assure you that if we do not have at least 25 people signed up to go on the trip by the 21st, which is the weekend that Jupiter & W. Palm Beach are coming here for their bar crawl then I will have to cancel the trip, because I will not have our ER, Barbara paying the freight for this trip like she has done for the last 2 times !!!

Sign up now or do not be mad when you want to have as much fun as you have had on the last 2 trips, cause you wanted to wait until the last minute! Remember, 25 at least or NO trip at all.

Besides....if we have over 30 people sign up... then we get a bus with a bathroom. If you sign up and we or you can't get enough others to sign up...then you will get your money back I will have to be forced to cancel the trip..... PLEASE!!!!!!.....Don't stop the fun from getting on the bus from the Ja-maka-me Crazy Times to now!!

Plastic Tops - To SAVE a Child's Life

I have come across an organization that with all of the plastic tops that they receive from water bottles, mayonnaise jars or anything that has a plastic top will help to save a life! " Crossfit Fever" is taking these tops and for every 1000 tops they receive it will give a 6 year old little boy a round of Chemo to try to save him from cancer.

My girlfriend from work Angela Schmitt introduced this to me and Danielle Mueller, a kindergarten teacher at Orange Brook Elementary School, she and her school donated at least 10,000 caps to help save this little boy's life! Each time we make a difference 'Crossfit' finds another deserving recipient that needs our help, so instead of throwing those tops away PLEASE bring them in so that we can help save a lot more lives!

Dinty Moore and the Kids Christmas

The Dinty Moore Dinner was VERY successful due to Joe Scuncio who was our chef and got All the rave reviews for his cooking. I also want to thank ALL of you for the proceeds that came in from those who attended and those who did not.

We had 60 children that were able to receive gifts that may have not been able to have received any if it had not been for your contributions. We adopted 2 families that truly have nothing ...including furniture, so if anyone has furniture they need to get rid of these people could use it! I want to thank you All!

The girls from work that helped me keep chaos to a minimum Angela Schmitt, Amber Freeman along with Samantha Whyte who is trying to make up community service hours and our E.R. Barbara Henry who was here till 6:30 in the morning, Sharron McCarr, Jill Jacobs and Patricia Swift. I want to thank you for helping!

Then for the clean up crew that had my back so I didn't lose a step, Larry, Father George and Radar.... As well as Santa Claus, our Clown and the Drill Sergeant that made all of this come together... I want to thank you All!

Butterfly Garden Coming!

A Remembrance

Amber Sarah Roach, age 22, the daughter of William and Karen Roach, passed away on August 6, 2011 in a car accident. The Roach family in conjunction with the Hollywood West Elks Lodge, are constructing a butterfly garden in her memory. The garden will be located on the median strip in front of the Lodge and groundbreaking is scheduled to begin soon. The Roach Family have already received many generous donations from friends and family and are still accepting more as they want the garden to also be a place where any Elks member who has lost a child can put a stepping stone, plaque, or plant in this location to remember their loved one. Since butterfly gardens aid the environment as well as beautifying property, plans are underway to have the garden certified by the City of Hollywood. If you would like to help with the funding for the garden, please see Barbara Henry, Exalted Ruler, to learn how you can contribute to this special project!

Visiting Bar Crawl—Jan 21, 2012

I always like to get these adventures started at least 3 months in advance, so that we can make sure that there is plenty of lead time so a GREAT time will be had by ALL!! The last 2 were sooo much fun that I just can't stop doing them! The last time we went out, we went a little further up north and because Lenny, the E.R. in Jupiter, saw how much fun we had he's going to be bringing his crew down here to see us on his own Bar Crawl on Saturday, Jan 21st. I am asking all of the members that had such a good time at his lodge to bring a covered dish in on that Saturday so that we can show them as a good a time as they showed us!

EXTRA! EXTRA! READ ALL ABOUT HOLLYWOOD WEST!

We have been having great success with publishing our accomplishments, but I still need your help!

Please be sure to let me know what you and your committee is up to! Just send me the following information and any pictures that you have taken, and I will do the rest!

- What was the function? (Please briefly describe it)
- How many Elks participated? How many Elk hours?
- How many non-Elks participated? How many non-Elk hours?
- Who/what benefitted from the function?
- How much money was donated? If it was merchandise, what was the value of the merchandise donated?
- Is this function an ongoing affair?

I will create a draft article, and if you send me your email, I will CC you a copy as it is submitted. Let's all try to work together to continue to let the state of Florida and the nation know what Hollywood West is doing!

Thanks!

Donna, PR Chairperson

Fellow Members and Officers of Hollywood West Lodge #2365

It has been brought to our attention from the State Officers and National Officers of Elksdom that we have been violating No Smoking Orders. The Florida and National Elk Directors have declared no smoking in any section of the interior of the Lodge building. Notices have been posted to remind all members of the Lodge regarding the smoking problem. The Tiki Bar and outside the front door have been declared smoking areas. Help us follow these Orders by advising All of the Non-Smoking Orders.

Thanks to all,

Pasta – Palooza News

Now that I am a full time Floridian, I am giving our ER, Barbara, time off for good behavior! She has done so much for our Lodge and its members and guests... she has been doing Wednesday night pasta dinners, Friday night dinners for us and for the Vets from Sandy Nininger Home, not to mention Thanksgiving Dinner! She needs a relaxing close to her term in office. I have volunteered to take over Wednesday night "Pasta Night" as of January. Each week we will serve something different to go along with our salad and bread bar.....

- The first Wednesday will feature spaghetti/ziti with meatballs and/or sausage
- The second Wednesday will feature stuffed shells
- The third Wednesday will feature lasagna
- Moe Genovese treats everyone on the fourth Wednesday
- When there is a fifth Wednesday, watch for special pasta dishes, which will be announced in the bulletin and at the Lodge.

I hope to see everyone happy and healthy after the New Year, and coming in with healthy and happy appetites!

If anyone would like to help out, please feel free..... I will most probably be at the Lodge cookin', shakin' and bakin' all day Wednesdays!

Happy Holidays to All!

Donna

Veteran's Activities

Happy New year to all, from The Elks Lodge #2365 Veteran's Committee.

The Veteran's from Sandy Nininger Nursing Home visited our Lodge in November for a Thanksgiving Dinner. In December they also visited the Lodge for a Roast Beef Dinner and a few drinks to celebrate the Holidays. They enjoy being at our Lodge where everyone is friendly.

A Christmas wall rug for the Holidays was donated to be raffled off at the Christmas Party. The proceeds of the raffle will help supply the Veteran's with toiletries, parties and field trips.

Keep the empty soda cans coming and the coupons as well. The coupons benefit the troops overseas families as well as families in the States.

The January meeting of the Veteran's will be held in the Lodge on January 11, 2012 at 7:30 PM all Elk members and friends are invited.
