*This ship will be unbelievable... Central Park's neighborhood has alfresco dining options, quiet reading corners & winding paths with outdoor space open to the sky. Royal Promenade's neighborhood has many shops & restaurants and a levitating bar called the Rising Tide Bar that ascends & descends over 3 decks..one minute you are under the sun or stars & the next you're surrounded by Royal Promenade's strollers.. In the morning enjoy relaxed atmosphere over coffee while people watching. The ambiance is more energetic in the afternoon w/ shopping, lunch & drinks in the pub. The energy rises in the evening w/ parades, nightlife & entertainment. The Boardwalk is nostalgic w/ first ever Carousel at sea with games & attractions surrounded by casual restaurants, including Johnny Rockets & the Seafood Shack, a coffee & donut shop, bars, candy shop & much more. Aquatheater is a pool by day & theater by night w/ spectacular water shows set against backdrop of the ocean & horizon. The Pool & Sports Zone has multiple pools, rock-climbing walls, miniature golf, two FlowRiders & a basketball court. Also 4 bars that you will need after checking out all the sports activities! The list goes on & on!*
